Accountant's Review Report

To the Board of Director's of
Louisiana Community Economic Resource Network, Inc.

I have reviewed the accompanying statement of financial position of Louisiana Community Economic Resource Network, Inc. (a non-profit corporation, herein referred to as LCERN) as of December 31, 2008, and the related statement of activities and cash flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of LCERN.

A review consists principally of inquiries of LCERN's personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

Independent Accountant's Report
on Applying Agreed-Upon Procedures

To the Management of Louisiana Community Economic Resource Network, Inc.
(LCERN)

We have performed the procedures included in the *Louisiana Governmental Audit Guide* and enumerated below, which were agreed to by the management of LCERN, the Legislative Auditor, State of Louisiana, and applicable state grantor agency/agencies solely to assist the users in evaluating management's assertions about LCERN's compliance with certain laws and regulations during the year ended December 31, 2008 included in the accompanying *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Federal, State, and Local Awards

1. Determine the amount of Federal, state and local award expenditures for the fiscal year, by grant and grant year.

LCERN's award expenditures for all programs for the fiscal year follow:

Grant Name	Grant Year	CFDA No.	Amount
<u>TANF – Federal</u>	2008	93..558	169,335
<u>State Appropriations-ACT 18</u>	2007-2008		44,783
Total Expenditures			214,118

2. For each Federal, state, and local award, we randomly selected 6 disbursements from each award *administered during the period under examination*, provided that no more than 30 disbursements would be selected.

A total of twelve disbursements were selected and tested for the two funding sources.

3. For the items selected in procedure 2, we traced the fourteen disbursements to supporting documentation as to proper amount and payee.

We requested supporting documentation for each of the twelve selected disbursements and found that payment was for the proper amount and made to the correct payee.

4. For the items selected in procedure 2, we determined if the fourteen disbursements from each grant were properly coded to the correct fund and general ledger account.

Twelve disbursements were properly coded to the correct fund and general ledger account according to supporting documentation.

5. For the items selected in procedure 2, we determined whether the fourteen disbursements from each grant received approval from proper authorities.

Inspection of documentation supporting the twelve selected disbursements indicated approvals from the executive director.

6. For the items selected in procedure 2: For federal awards, we determined whether the disbursements complied with the applicable specific program compliance requirements in the Compliance Supplement and for the state award, we determined whether the disbursements complied with the grant agreement, relating to:

Activities allowed or unallowed:

We reviewed the previously listed disbursements for types of services allowed or not allowed. There were no exceptions noted.

Eligibility

We reviewed the previously listed disbursements for eligibility requirements. The twelve expenditures selected appeared to be eligible. The items were agreed to previously budgeted line items.

Reporting

We reviewed the previously listed disbursements for reporting requirements. The disbursements were traced to reimbursement requests and expenditure details as reported to granting agencies.

7. For the programs selected for testing in item (2) that had been closed out during the period under review, we compared the close-out report, when required, with the entity's financial records to determine whether the amounts agree.

Year-end reports were reviewed and appeared to have been comparable with the general ledger and budget requests.

Meetings

8. We examined evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by LSA-RS 42:1 through 42:12 (the open meetings law).

LCERN is only required to post a notice of each meeting and the accompanying agenda on the door of their office building. Management asserts that such documents were properly posted, however, we could find no evidence supporting such assertion other than an unmarked copy of the notices and agendas.

Comprehensive Budget

9. For all grants exceeding five thousand dollars, we determined that each applicable federal, state, or local grantor agency/agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

LCERN provided comprehensive budgets to the applicable state grantor agencies for the programs mentioned previously. These budgets specified the anticipated uses of the funds, estimates of the duration of the projects, and plans showing specific goals and objectives that included measures of performance.

Prior Comments and Recommendations

10. We reviewed any prior-year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.

There were no prior year findings noted.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of Louisiana Community Economic Resource Network, the Legislative Auditor (State of Louisiana), and the applicable state grantor agency/agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures the Legislative Auditor as a public document.
